

PRINCE2® Foundation Quizzes

Quiz - Principles

Question 1:

What is NOT a PRINCE2 Principle?

- A) Continued business justification
- B) Project manage by process
- C) Manage by stages
- D) Tailor to suit the project environment

Question 2:

What is NOT one of the four integrated elements of PRINCE2?

- A) Principles
- B) Products
- C) Themes
- D) Tailoring to the project environment

PRINCE2® Foundation Quizzes

Quiz - Continued Business Justification

Question 1:

What principle is a prerequisite for effective risk management?

- A) Continued business justification
- B) Manage by exception
- C) Focus on products
- D) Tailor to suit the project environment

Question 2:

According to PRINCE2, a project must have _____ justification. What words would BEST fill in the blank?

- A) Senior manager
- B) Continued business
- C) Consistent user
- D) Business operational

PRINCE2® Foundation Quizzes

Quiz - Managing Product Delivery

Question 1:

What is a specific objective of the Managing Product Delivery process?

- A) The project management team is focused on delivery within the tolerances laid down
- B) The Business Case is kept under review
- C) Attention is focused on delivery of the stage,Äôs products
- D) Team Managers, team members and suppliers are clear as to what is to be produced and what is the expected effort, cost, or timescale

Question 2:

When are Work Package tolerances are agreed upon?

- A) When accepting a Work Package
- B) When approving a Stage Plan
- C) When creating the Project Plan
- D) When creating the Project Brief

PRINCE2® Foundation Quizzes

Quiz - Learn from Experience

Question 1:

What PRINCE2 element is described as being the guiding obligations and good practices to determine whether the project is being managed appropriately?

- A) Principles
- B) Processes
- C) Themes
- D) Tailoring PRINCE2 to the project environment

PRINCE2® Foundation Quizzes

Quiz - Defined Roles and Responsibilities

Question 1:

What supports the incorporation of the primary stakeholders into the project management team?

- A) Continued business justification
- B) Defined roles and responsibilities
- C) Manage by stages
- D) Learn from experience

Question 2:

In PRINCE2, a project has defined _____ for each project objective to establish limits of delegated authority. What word best fills in the blank?

- A) Allowances
- B) Tolerances
- C) Roles
- D) Deviations

PRINCE2® Foundation Quizzes

Quiz - Manage By Stages

Question 1:

What principle of PRINCE2 supports planning only to a level of detail that is manageable and foreseeable?

- A) Continued Business Justification
- B) Manage by Exception
- C) Focus on Products
- D) Manage by Stages

Question 2:

Complete this statement: PRINCE2 recommends three _____ to reflect the needs of the different levels of management involved in a project.

- A) Levels of issue
- B) Stakeholders
- C) Levels of plans
- D) Types of risk responses

PRINCE2® Foundation Quizzes

Quiz - Manage by Exception

Question 1:

What situation does the "creation of an exception plan" usually follow?

- A) A time or cost slippage occurring during a management stage
- B) An Exception Report being submitted to the Project Board in the case of a management stage is forecasted to exceed its tolerance
- C) A Stage Plan updated due to an urgent corrective action being taken by the Project Manager
- D) A newly identified risk being captured and documented in the Risk Register

Question 2:

According to the principles of PRINCE2, what statement is FALSE?

- A) A project should have a customer/supplier environment
- B) A project should manage by exception
- C) A project should focus on products
- D) A project should be tailored to suit the project environment

PRINCE2® Foundation Quizzes

Quiz - Focus on Products

Question 1:

Fill in the blank: A PRINCE2 project focuses on _____, in particular their quality requirements.

- A) The definition and realization of benefits
- B) The definition and delivery of products
- C) Project management team roles and responsibilities
- D) The outcomes expected from the using the outputs

Question 2:

What best describes a successful project in PRINCE2 that follows the principle of "Focus on Products"?

- A) Output oriented
- B) Activity oriented
- C) Benefits oriented
- D) Resource oriented

PRINCE2® Foundation Quizzes

Quiz - Tailor to the Environment

Question 1:

What is NOT a PRINCE2 Principle?

- A) Continued business justification
- B) Project manage by process
- C) Manage by stages
- D) Tailor to suit the project environment

Question 2:

If you adapt PRINCE2 to your specific organization or project, where should any changes be documented?

- A) Project Initiation Document
- B) Change Approach
- C) Risk Management Approach
